Product Description

Interlocking Artificial Grass Shock Pad , Underlayment For IN-SITU 3-layer Laminated, Drainage Playground Soft Fall

Product Description

Its excellent water drainage makes it a very popular product for football, soccer, rugby, hockey, playground, multi-purpose area, putting green and landscape. It is light in weight, can be tailored according to your field, and easily installed as an underlay for grass with low labor cost.

In the sports industry, shock pads are often referred to as an "insurance policy." According to FIFA-endorsed regulations, shock-attenuation testing is recommended for every sports field. For playgrounds, our shock pads will assure safety for you and your kids.

Features

Name	Interlocking Shock Pads Soft Layer
