Packing and Shipping:

Packaging and Shipping for Portable Event Flooring

Our Portable Event Flooring is carefully packaged and shipped to ensure its safe arrival at your destination. Here is our standard packaging and shipping process:

Packaging

Each piece of Portable Event Flooring is individually wrapped in protective material to prevent scratches and damage during

transportation. The pieces are then placed in a sturdy cardboard box for added protection.

The box is sealed with heavy-duty tape and labeled with the product name and quantity to make it easy for you to identify upon arrival.

Shipping

We offer both domestic and international shipping options for our Portable Event Flooring. Domestic orders will be shipped via ground shipping and international orders will be shipped via air freight.

For larger orders, we use pallets to securely stack and ship the flooring pieces. Each pallet is shrink-wrapped and labeled with the necessary shipping information.

We work with trusted shipping carriers to ensure timely and efficient delivery of your order.

Customs and Duties

Please note that international orders may be subject to customs and duties fees upon arrival. These fees are the responsibility of the customer and may vary depending on the destination country. We recommend checking with your local customs office for more information.

Tracking

Once your order has been shipped, we will provide you with a tracking number so you can monitor the progress of your delivery.

Thank you for choosing our Portable Event Flooring. We strive to provide the best packaging and shipping services for our customers.
