About us

Changzhou Tahui Sports Material Co., Ltd., located in Wujin High-Tech Development Zone, Changzhou City, is a high-tech enterprise dedicated to the R&D and sales of polymer materials. The company has a professional technical team and strong R&D capabilities, collaborating with Sichuan University and Changzhou University Town, and has established a strong school-enterprise cooperative relationship.

We always adhere to the belief that product quality is the best solution. Now, more than ever, we insist on innovation to provide customers with the highest-quality service.

With the development of the sports industry in recent years, the artificial turf industry has also made rapid progress. As quality requirements improve, existing sites are no longer sufficient to meet market demands. In response, environmentally friendly elastic infill granules and shock pads have emerged as key solutions.
