Advantages

Durability – Lasts 8-15 years; resistant to wear, extreme weather, and heavy use.

Low Maintenance – No watering, mowing, or pesticides; easy to clean.

Eco-Friendly – Saves water, eliminates chemicals, and some products use recycled materials.

Versatility – Fits any terrain (rooftops, deserts) and customizable in color/height.

Cost-Effective – Lower long-term costs than natural grass (saves water & labor).

Performance – Consistent playing surface (FIFA-certified options available).
