Product Installation

About us

Jiangsu Taio Sports Industry Co., Ltd. is a leading integrated sports enterprise specializing in manufacturing, operations, and strategic investments. As an industry innovator, we have established two flagship product lines: **"TAIHU" artificial turf systems** and **"CHANGYU" sports flooring solutions**, which form the foundation of our business growth and market expansion. These premium products empower our core operations in **sports infrastructure development** and **major event**

management.

Beyond our manufacturing excellence, we are actively shaping the future of sports through strategic investments in three key areas:

- Advanced sports materials technology
- Smart sports equipment and digital solutions
- AI-powered sports innovation

Our investment approach combines equity participation with financial partnerships to drive technological breakthroughs in the sports industry.
