Product Description

Product Description

Name	High Quality Premium Artificial Turf Grass Wear Resistant Football Synthetic Turf Outdoor Football Field Plastic Green Grass
Pile Length	50mm
Material	PP+PE
Density	12000
Color	Dark green, lemon green, olive green
Back	Polypropylene + Net + SBR Latex
Size	2*25m,4*25m
Certificate	Anti-UV/RoHs/flame retardant/wear test
Application	Football field, hockey field, multi-purpose events

Product Advantages

Low Maintenance: No need for watering, mowing, or fertilizing, saving time and resources.

High Durability: Weather-resistant, unaffected by extreme conditions, with a long lifespan.

Eco-Friendly & Water-Saving: Reduces water consumption and eliminates pesticides/herbicides.

Year-Round Usability: Unaffected by seasons—mud-free in rain and frost-free in winter.

Consistent Aesthetics: Maintains even, lush green appearance without weeds or bare patches.

Versatile Applications: Suitable for sports fields, gardens, rooftops, and more.

Safe & Hygienic: Allergy-friendly and easy to clean (e.g., pet waste).

Product Installation

About us

Jiangsu Taio Sports Industry Co., Ltd. is a group company engaged in the sports industry, integrating production, operation, and investment. Its core product lines include the artificial grass brand "TAIHUI" and the sports flooring brand "CHANGYU," which drive the company's growth and strategic expansion. The company operates in key business segments such as sports venue facilities, sports event organization, and sports investment. Additionally, it focuses on investments in sports-related sectors, including new materials for sports, smart sports technologies, and artificial intelligence (AI), through equity and financial participation.
