## About us

Changzhou Taihui Sports Material Co., Ltd., located in Changzhou City Wujin High-Tech Development Zone, is a high-tech enterprise dedicated to the R&D and sales of polymer materials. The company has a professional technical team and strong research and development capabilities, supported by collaborations with Sichuan University and Changzhou University Town, establishing strong school-enterprise cooperation relations. We always adhere to the belief that product quality is the best solution. Now, more than ever, we prioritize innovation to provide customers with the highest-quality service.

With the rapid development of the sports industry in recent years, the artificial turf industry has also made significant progress. As quality requirements for products continue to rise, existing solutions no longer fully meet market demands. In response, environmentally friendly elastic infill granules and shock pads have emerged as advanced solutions.
