Effortless Installation & Custom Fit

Designed for maximum efficiency, our lightweight foam shock pad enables quick and straightforward installation—no heavy machinery or specialized labor needed. Just two people can effortlessly unroll and position the underlay, completing an entire sports field in as little as one day. Customizable roll lengths minimize material waste and installation time, ensuring a perfect fit for any field dimensions.

Key Benefits:

- ✓ **Lightweight & Easy to Handle** – Simplifies transport and positioning
- ✓ **Rapid Deployment** – Full-field installation completed in one day
- ✓ **No Specialized Equipment Required** – Reduces labor and costs
- ✓ **Customizable Roll Sizes** – Minimizes cutting waste and optimizes material use

Ideal for contractors, schools, and sports clubs seeking a time-saving, cost-effective solution without compromising quality.
